

CERTIFICATE

THE STRONGEST[®]
IN FINLAND
2016

Teknikum Oy

FI07645274

is a company which creates power
for the economic future

The company has obtained the high Rating Alfa
credit classification, which is only achieved
by every tenth company in Finland.

The classification is a proof of the company's
excellent financial key ratios, positive background
information and good payment behaviour.

The classification is granted by Suomen Asiakastieto Oy.

Helsinki 20.10.2016

A handwritten signature in black ink, consisting of a stylized 'J' followed by a long horizontal stroke.

Jukka Ruuska
CEO

Suomen Asiakastieto Oy
